

# MATANUSKA RIVER WATERSHED 2019 SPEAKER SERIES

**THURSDAY, MARCH 14th**  
**SUTTON LIBRARY 7:00 – 8:30 PM**

## **PRESENTATION:** **SPRUCE BARK BEETLE**

Spruce bark beetles appear to be resurging, impacting trees throughout the Matanuska-Susitna Borough. What causes these outbreaks? How do they affect fire risk in the Matanuska Valley? What can we do? Please join us as **Jason Moan**, ecosystems Forest Health Program Manager with DNR answers these questions and more. Refreshments will be available.
